Call to order by Amy Murray.

Carolyn Gough reviewed that all members of the School Community Council have reviewed the SCC training.

Ms. Gough reviewed the previous meeting regarding the new middle school boundary. She shared the website showing the potential new boundary options.

Ms. Gough discussed the process for finalizing the 2011/2012 report for Trust Lands funds used. This needs to be approved by the SCC.

Ms. Gough explained the UCAS report. She focused on the growth element for school accountability. Then she also reviewed how a school receives a total score based on achievement and growth. She then tied this UCAS report to use of Trust Lands.

We reviewed the use of funds from the Trust Land Final Report for 2011-2012 and explained that we will be making plans for the upcoming year regarding Trust Land Budgets.

We discussed the importance of thanking our legislators for providing Trust Lands. Amy Murray volunteered to draft a letter for the whole SCC to sign.

Amy asked to review the Cell Tower Budget. Ms. Gough explained that this money has been used to fill financial deficits as well as provide transportation for student activities.

There was discussion of potential fundraisers to support these budgets.

Our next meeting will be February 7<sup>th</sup>.

The meeting was closed at 5:21.
